Sir,

I have the honour to submit for the information of Government the report on the Civil Hospitals and Dispensaries in the Bombay Presidency for the year 1929.

Buildings.

2. The hospitals have been kept generally in fair repair. Owing to the financial stringency no new major works were carried out during the year and the only work worth mentioning was the extension of the Sir C. J. Ophthalmic Hospital, Bombay, under the J. J. and allied Hospitals Extension Scheme. The foundation stone of this work was laid by His Excellency the Governor of Bombay on 20th November 1928. The building is expected to be complete and ready for occupation by the end of 1930.

otherwise and 7,590 died. The ratio of death per cent. to total treated was 7·0, the same as that in 1928.

Classes I and II.—These include all institutions maintained by provincial funds and under Government management. The fact that an institution possesses endowments or receives contributions from local funds or private subscriptions has not been regarded as a reason for not classing it as "State" when provincial and imperial funds are practically responsible for all the charges connected with it. Class I—"Public" are State Dispensaries which are open to the poorer classes of the public. Class II are State Dispensaries which serve only a special section of the public as indicated in the sub-classification attached.

Class III.—Local fund dispensaries include all institutions which are vested in local boards or municipalities or guaranteed or maintained by local or municipal funds. The fact that such an institution is aided by private subscriptions or receives assistance from Government in the shape of part of the salary of the medical officer, grants of medicine, or otherwise, has not been regarded as a reason for not classing it as a local fund dispensary, when its existence is practically dependent upon local funds.

Class IV.—Comprises institutions supported by private subscriptions or guarantee, but receiving aid from Government or local funds.

Class V.—Comprises institutions maintained entirely at the cost of private individuals or associations. The fact that Government supplies superior inspection or registers has not been regarded as a reason for not treating it as a private non-aided dispensary.

Class VI.—Comprises all railway dispensaries whether maintained by State railways or others.
